### What kind of City will Nanaimo be in 20+ years?

**We want to hear from all ages! Let's REIMAGINE our future - together.**

Our City, Our Voices.

REIMAGINE NANAIMO is our once-a-decade opportunity to create a collective vision and road map for our future City. As our population grows to 100,000 residents and beyond, we need to collectively imagine how we evolve and grow to better meet the needs of all in future.

Two key ways you can participate in Phase 1 REIMAGINE NANAIMO:

[Ideas Questionnaire](#) - If you do anything, do this! Great prizes available

[Creative Community Contest](#) - Anyone can participate (kids too!). Express your ideas for Nanaimo's future through photo, drawing, collage, poetry & more!

Phase 1 opportunities are open until November 30th. Please take a few minutes to participate in planning Nanaimo's future! Visit [getinvolvednanaimo.ca/reimagine-nanaimo](http://getinvolvednanaimo.ca/reimagine-nanaimo) for full details.

### Erase Bullying

**Every child deserves an education free from discrimination, bullying, harassment, intimidation and violence.** The ERASE (Expect Respect and A Safe Education) Bullying strategy is part of the Province of British Columbia's efforts to personalize learning and supports for all students. Please visit the ERASE Bullying website or click on the logo on our school website. If your child is being bullied, please let the teacher or the principal know. We can't help, if we aren't aware.

### PAC

A big 'Thank You' to those parents/grandparents and guardians who have joined the PAC! We appreciate your time and input. ### School Closures

If schools are closed due to snow, or any other weather-related problems, announcements will be made on local radio stations (WOLF 106.9 FM, WAVE 102.3 FM, and 91.7 COAST FM) by 7 a.m. on the day of the closure. Please do not call the radio station - tune in and listen for the announcements, which will be made on a regular basis. In addition, the district will post the information on the district's website, Twitter, Facebook, and mobile app. Please keep in mind, however, that there may be situations where this is not always possible, for example, power outages or technical problems. The most reliable method is to listen to the local radio stations.

### TumbleBooks/Teen Cloud

### Hallowe'en Safety

#### Ghosts and Goblins will soon be taking to our city streets

Media Relations Officer/Crime Stoppers Coordinator

Nanaimo RCMP

Soon our city streets will be inundated with hundreds of children, dressed in a variety of costumes participating in one of the biggest celebrations of the year- Halloween. The Nanaimo RCMP is once again urging all motorists to use extreme caution throughout the day for "*darting goblins*".

*"When kids are excited they often throw caution to the wind and everything their parents told them about safety. For that reason, it is essential parents and caregivers keep their young ones on tight rein when trick or treating,"* said Constable Gary O'Brien of the Nanaimo RCMP.

Please follow these simple but effective tips when going door to door on Halloween:

#### Costumes

- If your little ones can't see their feet with their mask on, it may pose a tripping hazard
- Ensure their costume is reflective; if you can't see them then neither can approaching vehicles
- Make sure they have appropriate footwear on. It will allow for an enjoyable evening and prevent unwanted falls

#### Door to door

- Only go to homes where lights are on, often the front porch light indicates they are participating in the festivities
- Never allow your children to enter any home to retrieve candies

#### On the streets

- Parents should carry a flashlight with fresh batteries to light the way
- If crossing where there is no crosswalk, **STOP** and **LOOK** both ways to **ENSURE** approaching vehicles are slowing to indicate you have been seen

#### After trick or treating

- Give all the candy a thorough inspection to ensure nothing has been tampered with
- If a candy wrapper is open, throw it out

As a reminder, firecrackers are prohibited to use or possess and firecrackers can only be discharged with prior approval obtained by the City of Nanaimo Fire Chief. Simply being in possession of fireworks may cost you a \$200 fine under the City of Nanaimo fireworks bylaw.

Have a wonderful November!  
From all FV students and staff
