Playground Expectations

We have been reviewing playground behaviours and expectations with students in class and on the morning announcements. These expectations include:

- Hands to self, respecting everyone's space and right to safety
- Kind words and actions always
- Stay within boundaries
- Line up when the bell rings and respect others' space in line up
- Garbage into cans, help keep our school community clean
- Listening to the adults
- Use the washroom appropriately
- Leave toys and valuables at home- we don't want you losing them

Please help us, by reviewing these at home as well as we want to be preventative and proactive.
